Insurance Requirements for Cartage Companies

All cartage companies doing business at the Port of Miami must provide the Permit Section with a list of insured drivers and vehicles on a monthly basis due by the last County business day of each calendar month. Failure to provide the requested information will result in the suspension of the permit until the information is received.

By the conclusion of each month, either the insurance company issuing the policy or the managing general agent for the insurance company issuing the policy must provide the Port of Miami with an ACORD certificate of insurance evidencing at least \$1,000,000 in vehicle liability insurance coverage and a list of the tractors (year, make, and 17-digit vehicle identification number) that are covered under the policy. If the insurance company's managing general agent provides the requested information, the managing general agent must also provide a notarized letter signed by an authorized officer of the insurance company issuing the policy identifying the managing general agent and confirming that the managing general agent has the insurance company's authority to provide the information requested by the Port of Miami.
